SUMNER COUNTY GOVERNMENT EMPLOYEE RIGHTS

1. As an employee of the Sumner County Government, it is your obligation to fill out the Sumner County Occupational Injury Report.

2. Before accepting any benefits or receiving treatment for any injury and/or exposure, you have the right to speak, at your own expense, with an attorney.

3. Sumner County has adopted the Occupational Compensation Plan of Sumner County (the "Plan"). The Plan is based upon a no-fault system of compensation and under the terms of the Plan, injured employees receive payment from the Sumner County Government of medical expenses as well as a percentage of your salary should a doctor determine you are unable to work. Any and all benefits paid to you under the Plan are paid pursuant to the terms and conditions described in the Plan.

4. As an employee, you have a choice. **If you accept the benefits and treatment offered under the Plan, the Plan shall act as your exclusive remedy. By accepting the benefits and treatment under the Plan, you hereby waive any and all rights to bring a lawsuit against the Sumner County Government for your injuries and/or exposure.**

5. If you decide to not accept the benefits offered under the Plan, you, or your insurance provider if you have one, will be responsible for payment of any and all medical treatment you receive with regards to your injury and/or exposure.

6. The Entire Plan can be seen on the Sumner County website at www.sumnertn.org then go to the Risk Management page.

****As stated in the Occupational Compensation Plan, an injured employee has 6 months from the date an injury report is filed or 6 months from the last date of treatment to seek additional treatment for any injury. If no treatment is sought during this period, the claim will automatically close.**
