SUMNER COUNTY GREENBELT LAND DISTURBANCE PERMIT

This Permit is for construction on Agricultural properties over 15 acres that are in the Greenbelt. It is required by TDEC.

I/We understand that regardless of the size of the parcel or degree of disturbance, the discharge of sediment beyond the site boundaries, or into creeks or streams is prohibited. To avoid disturbed soil from eroding into waterways and being tracked onto roadways.

I agree to:

1. Install a construction entrance with a minimum of 6 inches deep of gravel, between 1½ -3½ inches in diameter, a geo-textile underlayment, minimum of 50 ft. in length, and 12 ft. wide.
2. Install a silt fence where needed that is trenched 4”-6” into the ground and backfilled.
3. If on County Road, SEE Hwy. Department-(615) 452-2632 / or State Roads call TDOT-(615) 451-5822
4. ALL PERMITS MUST BE POSTED ON SITE.
